Visa on arrival

The Organiser could provide assistance to the exhibitor to get a visa on arrival by obtaining a Visa Approval Letter (Please refer to **Form 9 – Application for visa approval letter**).

Visa Approval Letter is a letter issued and confirmed by Vietnam Immigration Department. By showing the approval letter at Vietnam Airports upon arrival, travellers can pick up Visa and get visa stamped on their passports. At the airport, the corresponding authority will verify the details on the approval letter based on your passport and travel documents. As long as you make sure you input the correct details when applying, you will surely be granted entry upon arrival in Vietnam with the approval letter. Without the approval letter, travellers CAN NOT check in the international flights to Vietnam.

At the ARRIVAL HALL inside the airports, there is a Landing Visa Counter in front of the check-in point counter, you have to prepare required documents to get visa stamp: your original passport (valid for at least 6 months and left pages), 2 (4x6 cm) passport photos, entry/ exit form and cash in USD/VND:

1 month & 3 months single: 45 USD
1 month multiple: 65 USD,
3 months to less than 6 months: 95 USD
and 6 months is 135 USD.

Vietnam Customs Clearance Officers will arrange Visa Stamp at the arrival airport for clients enter Vietnam by plane. If you do NOT enter Vietnam by plane, you should contact the nearest Vietnam Embassy to get visa.

The most important thing is that you bring up the Vietnam Visa Approval Letter when you enter Vietnam. Without this letter you cannot aboard the airplane and get visa when you arrive Vietnam.

Normally, it takes around 15-30 minutes to get the visa stamped at Vietnam airports upon arrival. However, sometimes it may take longer than expected due to the large number of arrivals.

The Visa Counter at Vietnam airports are 24/7 open. So if you already have the approval letter, you can still pick up your visa at Vietnam airports at weekend.
